

## Wednesday Cont...

*The Character of God: His Attributes* 6:15 p.m. starting January 6 in Room 105

When we talk about the character of God, we realize we cannot say everything the Bible teaches us about God's character at once. We need some way to decide which aspects of God's character to discuss first, second, and so forth. We need some way to categorize the attributes of God. This is a 12 week study about God's communicable and incommunicable attributes, how they stand alone and overlap and we will discover how God is different from us and how we are like him.

If you've wanted to know more about the Bible and the impact it can have in your life, this is the class for you.
